GO WITH THE FLOW TOUR

Ever wanted to know more about where your storm water goes when it rains?

Join Council's Environment and Education Team on a FREE bus tour and guided walk in and around Bankstown's waterways. You'll discover how plants help to clean our waterways, how Council uses natural engineering principles to improve water health, where the water flows when it rains and what animals rely on our waterways.

WHEN: 9am to 12noon

WHERE: Garrison Point, Georges Hall

Spaces are limited so book early to avoid missing this unique experience. Call 9707 9628 to book.
