The 2011 Community Forum will focus on biodiversity and the science of what we do.

The Forum will be facilitated by ABC TV Science Presenter **Bernie Hobbs**.

Professor Andrew Beattie from Macquarie University will give a fascinating keynote talk on Biodiversity – what it means and why it's so crucially important.

The Community Forum will include the presentation of **The Sydney Metropolitan CMA 2011 Regional Awards**

Transport

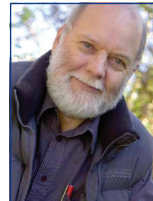

Parking is very limited, please consider public transport as your first option.

By train, the Club is just a few minutes walk from Epping Railway Station.

Bus stations are located on Oxford Street and Beecroft Road. A short walk through "The Epping Club Walk" brings you to the Club.
