22 July 2011

Final outline for conference proceedings
19 August 2011

The Australian Association for Environmental Education (AAEE) NSW, the Northern Sydney Environmental Education Networks invite you to participate in the 30th NSW Environmental Education Conference, being held at North Sydney Boys High School, on Monday 26 September and Tuesday 27 September 2011.

The 2011 EE Conference aims to bring together environmental educators from across NSW to explore contemporary issues concerning awareness of and action on global, national and local environmental sustainability issues, with a focus on this year's conference theme....

"SUSTAINABILITY - LET'S JUST DO IT!"

PAPER SUBMISSIONS

The conference organising committee is seeking expressions of interest for papers and exhibitions. Contributions are sought using the theme for this year - Sustainability - let's just do it, and should aim to provide differing perspectives of contemporary environment issues. Please provide a 500-word submission, with an outline for use in the conference proceedings. Submissions close on 22 July.

CONFERENCE OUTLINE

The conference will begin with a **welcome BBQ** on the evening of **Sunday 25 September**, then span over two full days that will include presentations by a variety of keynote speakers and include a wide range of paper presentations and stream specific workshops which aim to provide:

- positive outlooks for society in facing the challenges of promoting awareness and tackling contemporary environmental issues
- practical skills in educating others about environmental issues - locally, nationally and globally
- different perspectives on environmental issues - for example - scientific, economic, cultural, philosophical aspects and consequences of action/inaction

A variety of field trips will be organised for the afternoon of Monday 26 September to complement the objectives of the conference, and watch education in action as members of the Northern Sydney region showcase the environmental issues facing their community. The conference dinner will be held during the evening in conjunction with the presentation of the NSW/ Australian Environmental Education Awards.

EXPRESSIONS OF INTEREST

To receive all the latest details for the EEC, please email your contact details and the type of participation you are interested in (such as delegate, speaker, facilitator, sponsor etc) to conference@aaeensw.org.au
